## ROLLS-ROYCE THE PENINSULA'S LONG-TIME PARTNER IN EXCELLENCE

The Peninsula Hotels and Rolls-Royce have maintained their special partnership for over 50 years.

1970  
**7**

The Peninsula Hotels' order of seven Rolls-Royce Silver Shadows in 1970 was the car brand's largest ever order at the time.

Today  
**26**

At present, 26 Rolls-Royce vehicles are used by guests at The Peninsula Hotels around the world.

### A BESPOKE EXPERIENCE

Each Peninsula Rolls-Royce is built and customised according to a set of exacting specifications.

Larger luggage compartments, with specially requested counter-sunk screws and handmade protection covers to prevent damage to suitcases when loading

All interior wood veneer in each car is sourced from the same tree to ensure consistency in colour and grain

Tumble-dyed leather upholstery

Exterior of main body finished in Brewster Green

Modified lighting to provide ample illumination for passengers when entering and exiting the vehicle

*“Everyone knows all the green Rolls-Royces belong to The Peninsula.”*

– Mary Goodnight in the James Bond film *The Man with the Golden Gun*

## AUTHENTIC, DESTINATION-SPECIFIC OPTIONS

The Peninsula Hotels offers a diverse, destination-specific, and regionally authentic fleet across its properties to allow hotel guests to experience and immerse themselves in the sights and sounds of their destinations in style.
